		6	Parent, student and teacher satisfaction	Parents and staff are encouraged to come forward when they are not happy with a situation at school. Concerns are dealt with in confidence. Students are given a variety of opportunities to develop academically, socially and spiritually. The number of parents who are willing to donate their time by assisting with sports carnival preparation, transporting students for excursions, catering for school functions, assisting with school fundraising activities, volunteering as parent help in the classrooms and attending assemblies would generally suggest a high degree of parent satisfaction.								
		7.	Post-school destinations	In 2011, 15 students attended Bunbury Catholic College for Year 8 while 5 started at Collie Senior High School.
