Introducing Your School Chaplain

Dear Parents,

My name is Stacey Munday and I would like to introduce myself as your new School Chaplain.

My role here at St Brigid's is to provide pastoral care to the whole school community including students, parents/carers and staff members. I will be here one day per week to talk through any concerns, issues or worries that you may have.

To give you a little insight into my professional background, for the past six years I have been a School Chaplain at Collie Senior High School and will continue with this role while working at St Brigid's. I'm hoping this will provide some consistency for your child if they continue to need support in the future.

I am a qualified Youth Worker with experience training in trauma in young people and Acceptance Commitment Therapy/Mindfulness - specialising in anxiety. Should you feel the need for support in these areas or other issues that may arise, please feel free to contact the school on 9735 9200 to arrange a time for a friendly confidential chat. As stated, all discussions are confidential and are carried out with a nonjudgmental approach; I am here to support and work with you to achieve a desired outcome for you and your family.

I look forward to getting to know everyone at St Brigid's and will endeavour to focus on the wellbeing of our school community as a whole.

Yours sincerely

Stacey Munday
School Chaplain
