

St Brigid's Student Code of Conduct (as at 5/2/20)

As students of St Brigid's Collie, we understand that all members of our school community need to follow a Code of Conduct for the safety and well-being of everybody. At St Brigid's we want to feel safe, successful, respected and happy.

Conduct Statements (what we expect of our students)

Respect Yourself	Respect Others	Respect Property
We respond to the bell and are on time	We walk on hard surfaces	We look after our uniform and class items
We wear our hats outside	We play tackle-free sport	We put our bags on the rack after the bell
We climb up to the line only (in trees)	We play in the correct play zone	We return borrowed sports gear
We climb below the monkey bars -not above	We accept and welcome others	We put our rubbish in the correct bin
We wear our uniform neatly in class & events	We are safe with our hands, feet and body	We keep outside of our classroom clean
We try our best in all we do	We listen to and follow instructions	We look after our school grounds
We are responsible for our learning	We speak kindly and respectfully to others	We eat sitting down in the undercover area
We cross roads at the crosswalk	We sit quietly before the 8:30am bell	We enter classrooms quietly
	We walk quietly & in lines during classtime	

By following the statements closely, we will be able to live our school's values of service, respect, kindness and learning. If we are concerned that someone is not following the Code of Conduct, we will offer support to the person and talk to a teacher or a member of the Leadership Team or the Principal.

How do we work together to keep our school safe?

When we are playing...

- K/PP Playground is for K/PP only except after school under the supervision of parents. No swinging on the high bar.
- Senior Basketball Court for 4-6 students only. Junior Basketball Rings for Year 1-3 only. These areas are for court sports only (Basketball, Netball, Four Square, Skipping etc)
- Classroom Verandas, the Undercover Area and the Playground are "Ball Free Zones".
- Soccer, football and all ball sports are always played on the oval and students are welcome to play in mixed age groups in a safe and respectful way

When we are eating...

- Morning Tea: Students eat all food seated in the undercover area, place rubbish in correct bin and head out to their play area when finished
- Lunch: Students eat all food (including canteen and ice-poles etc) seated in the undercover area and are dismissed by the teachers after the bell. Rubbish is placed in the correct bin under the direction of the teacher.
